

Invitation to International Academic Exchange Workshop for Marine Engineering

December 19-20, 2016

Shanghai Jiao Tong University
Shanghai, China

About the Workshop

This workshop aims to the expansion of students' knowledge in marine engineering by international exchange of academic research activities. This workshop was initially organized by Kyushu University and later Osaka University. In 2015, this workshop was held in Seoul National University, to develop more global perspective. In this year, it will be hosted by Shanghai Jiao Tong University. Through this workshop, we can expect the cultivation of intercultural competencies and sensitivities to other cultures among students, young researchers, and faculty. Any student and faculty in Chinese, Japanese and Korean universities (but not limited) can participate to this international event.
